Notice of the FY26 Bridge Program Funding

The City of Tallahassee invites all interested non-profit human services organizations to participate in the Fiscal Year 2026 (FY26) funding cycle of the Bridge Program grant process. Through this program, the City provides funding to eligible organizations to help provide safety net services to vulnerable citizens.

The Bridge Program supports local non-profit organizations working to implement innovative solutions to meet community needs that lack the eligibility requirements to participate in the Community Human Service Partnership (CHSP) grant process. The Bridge Program is a funding opportunity that enables non-profit organizations that do not meet the minimum CHSP standards to strengthen their capacity. Agencies that have previously received or are currently receiving CHSP funding are not eligible for the Bridge Program.

Applications will only be accepted from agencies that meet the Bridge Program eligibility criteria, as listed below:

- At the time of application submission, the agency is registered as a 501(c)(3) with the United States Department of Treasury.
 - Please note that fiscal agents are not accepted. The applying agency must have its own 501(c)(3) status.
- The agency must demonstrate a record of providing **or** intent to provide direct human services to residents of Leon County.
- The agency has not received CHSP funding.
- The agency has a previous fiscal year operating budget at or below \$100,000.00.

The City's Human Services staff will host an informational workshop on **Friday, June 27, 2025**, from **9-11 a.m.** in the **Leon County Conference Room, second floor, Renaissance Center, 435 N. Macomb Street, Tallahassee, FL 32301**. Attendance is not required to receive Bridge Program funding but is recommended.

Applications must be completed and submitted online in the [City's Neighborly Software Portal](#). The portal will open at 8 a.m. on July 1 and close at 5 p.m. on July 31. No late applications will be accepted.

The [Bridge Program Manual](#) is available on the City's [Human Services](#) website. The CHSP Manual is available at [CHSPPortal.org](#).
